SAX APPEAL

A horny musician gives a very private performance for two sexed-up nymphs

I've been a professional musician all of my adult life. And at 33, I figure I still have quite a few years to blow my horn.

I'm clean, no drugs that turn my mind into mush. I work out with weights and run a few days a week, and watch what I eat. Mostly pussy and more pussy.

The real money, the good money for me, comes as a back-up accompanist. When a smooth cabaret singer rolls into town I'm usually guaranteed a solid gig, either at a nightclub or in the recording studio. Of course, the only problem is that these really high-paying gigs are few and far between. Forget the talk about a jazz renaissance going on. It may mean big bucks for the big-name artists, but average journeymen like me still have to hustle.

Like they say, jazz is always dying. So we have to take on the shit-gig-circuit private office parties, weddings, that kind of scene. The money is okay and enables us to hang on until a name performer needs our services in the studio.

Last Friday, I worked with a trio out in the 'burbs. A wealthy lady threw the shindig for her husband's new book. Rich people don't really need much of an excuse to have good time. They've got the bucks and think nothing of blowing a catered affair with musical accompaniment. The gig that night turned out to be really worthwhile for me too. Besides the cash, two young debutante types were looking to have a very private performance.

I spotted them from the small bandstand midway through the night. The two young chippies stood out like diamonds, what with all the middle-aged matronly mamas on

party girl

I spotted this new girl at the university I was attending. What a stunner. Throughout that week I kept seeing her everywhere I went. At the library, the quad, on the way to class – and when I saw her in the gym I just couldn't stand it anymore, I had to talk to her. I asked her her name. She said her name was Dakota. I said that was a great name. Then I added, "My friends and I are having a party on Saturday this weekend. It would be nice if you would come."

"Sounds like fun," she replied.

Saturday night we all got more drunk

the floor, their jingling jewelry making funny music of its own. In their early to mid-twenties, they looked like hot models and for all I know, maybe they were. They danced together, mirror Images of each other, thin legged with grinding hips and soft shoulder-length hair floating to their shoulders, swirling around their smiling faces as they shook and shimmied to the music.

When the band really starts cooking, I get into a novelty bit I've been doing for a few years now. I take my solo right on the dance floor, leaping off the stage and playing a honkand-shout routine that always gets the joint jumping. The two young babes picked up on my number right away, leading the other dance around me like I was the fucking Pied Piper.

They were really getting into it, moving their bodies like nobody's business. I desperately tried to concentrate on my solo like I always do, but my eyes were riveted to those undulating bodies before me. They were into grinding and bumping and were definitely the talk of the evening.

During a break, the tall leggy brunette came up to me. Said her name was Toni and her friend was Amber. Blonde-haired Amber held a cigarette between her lips waiting for me to light it. She had deep blue eyes that made me want to kiss her. Blowing a long silver-blue stream of smoke from her lips, she said, "We like what you do with your horn."

The one named Toni smiled seductively and ran her tongue slowly over her lips, the kind of lips I like to slide my dick in between. She leaned right against me and said, "Maybe you'd like to give us a private performance?"

Never one to pass up a solid proposition like that, I came back with, "Just name the place and time."

It was then and there where I was invited to Toni's place. It seems that she was a well-to-do chick with a load of family money.

She lived just a few miles away in a fancy home set in the middle of the woods (desolation was more like it). When we walked in Toni said, "You can blow your horn here and no one will hear."

Amber was half loaded, cuddling up to me and teasing. "And we can blow you too, baby."

They were out to have a good time, no doubt. Toni even asked me to play some strip music for openers. "My pleasure," I told her. Believe me, it really was.

It didn't take long for the booze and blues to work their magic on them. While I honked and wailed, they peeled out of their evening gowns. They hurled expensive, designer clothes on the floor like they were cheap discount clothes. They were so pretty with smooth skin and perfectly formed full hips.

Toni was down to her panties and bra, silk numbers that were wet with sweat and excitement. She then unhooked her bra and shook her pear-shaped tits like the most experienced topless dancer I'd ever seen. She slid out of her panties and then hurled them my way. I caught them and touched the gooey hot stuff in the crotch area. Her pussy was moist and her nipples stretched out hard, looking me in the face. Forget about playing music, man. I put down my horn and took off my shirt.

A now-naked Amber slithered up to me, smashing her perky tits at me too, her hot body scented with expensive perfume and fuck fragrance. She was light as a feather and I felt like ramming her standing up. Toni was on her knees, yanking down my pants and shaking hands with my dick. She was a tease-and-half, saying, "This is a beautiful horn you've got here too."

Amber started scraping her sharp fingernails across my back. It felt good—a little on the painful side, stinging and burning—but still good. While her friend inspected my dick like she was going to buy it, Amber rubbed her sweet little cunny up and down my hairy leg. I felt the hot cunt juices dripping out of her quim.

All of a sudden she started humping my

than perhaps we should have, but I was amazed at how many drinks she could put away! Five beers and six vodka shots, by my count. That's how much she took without going cross-eyed!

After a while I got up the courage to kiss her and to my amazement she kissed back. We found an empty room and she ripped my jeans off and deep-throated without blinking. We were there, me standing up, her kneeling down, for five or six minutes until I blew my load. She had a whole mouthful and she swallowed it all. I grabbed her, threw her onto the bed, took off her skirt and top and completely devoured her glorious, dripping, bald pussy.

leg. I mean, going at it like it was a usual way for her to get off. Toni enjoyed it too. She even pulled herself off my dick to watch her friend pound that pussy up and down on my thigh. I stood as still as possible, trying to tighten my leg muscle and make her ride even better.

With her arms wrapped around my shoulders, Amber slipped her tongue into my mouth, swirling it around until

my balls were boiling. All of a sudden she was coming. She moaned, but I muffled her scream with my mouth. She got off on that hairy leg ride and then slid to the floor, trying to catch her breath.

She was wasted, but only for a minute or so. Crawling up to me on all fours like a kitten, she started licking my leg, sopping up some of her sweet secretions that were sliding down my thigh. Her tongue work felt great, making my cock stand up tall and honk again. Amber then sat back, allowing her dark-haired friend a chance to play solo on my horn.

Toni knelt before me, her warm lips wrapped around my dick and her finger wig-

gling up my asshole. I pumped good and hard into her mouth, fucking her face with a vengeance, coming in no time. But then she pulled off my prick, sighing, "Cum on my tits, not in my mouth!" She then started a super-fast hand jive, aiming my dickhead at her big brown nipples. I squatted a little, aimed at her titties, and shot a good load that made my knees shake. Toni smiled, seeing my silky

stuff showering her tits. "So much!" she said. "Amber, look how much!"

Amber was kinky, ready to do everything in the book. When she saw all the cum dribbling down her friend's tits, she started massaging the stuff with her fingers and tongue. I liked the sight and took the opportunity to taste a little pussy. The two girls were atop each other, their sweaty bodies making squishing sounds. I held Amber's ass and inched closer to her cunt. The heat and sweat of a long night of dancing was obvious. She positioned herself between Toni's thighs for a taste of cunt herself. I parted Amber's legs and worked on her pussy. I love eating pussy and she gave me plenty of it,

She was screaming with pleasure. I could sense she was close to climax so I plunged my cock into her glistening hole. Long deep thrusts made her naked breasts ripple. She screamed again "Harder, fuck me harder." So I duly obliged. I exploded into her soaking pussy and pulled out just as she came. And oh my god, did she cum! It was like a fountain! I had heard of this before. I've no idea what it was, but it wasn't pee. As if that wasn't enough, she asked me to finger her again. I did one better as my tongue and two fingers worked her clit. Meanwhile she stroked, licked, and sucked my cock. We were fucking for hours, a good thing it was my flat. After

wet and sticky, and so sweet man, oh so sweet.

Amber's insatiable the way she can do things. She rubbed her pussy harder and harder against my face, even jabbed me with her strong scented butt. I really let her have it then, substituting my tongue with my hard dick. She moaned once as I penetrated her and collapsed on top of Toni. Not that Toni minded in the slightest. She gave it to Amber from below, pushing up with her hot body as I pushed down with my cock. When I finally came, I shot my seed deep into Amber, making her body shake in spasms.

After pulling out of Amber's pussy, I leaned back to take five. Forget it! Those chicks wouldn't hear of it. Toni, her body drenched with sweat after being used like a fuck doll, teased, "Isn't it my turn to play on your horn now?" Then she lay back and parted her cunt lips really wide so I could see all of her delicious glistening pinkness.

I fingered her a while but she was already in high gear. "Faster!" she grunted, "faster, damn it!" I did it the best way I could, diddling her cunt till my hand became drenched with juices. Just as she was about to come, she yelled out for my cock. "Now! Stick it in me now!"

Plunging in to the hilt, I was able to kiss her lips and tits too. I could taste some of Amber's saliva and a little of my own cum on those brown nips. Just as I started humping her, I felt a burning tongue on my asshole. How Amber managed to hang onto my hips for that rocking ride is still a mystery. But she did, pushing her tongue in and out of my butthole as I pumped pleasure into Toni. I came right after she did and it was my turn to be sandwiched between two hot bodies. They wouldn't let me up either, insisting on massaging every part of my body with their mouths and tongues.

I was starting to feel numb between my legs. It had been a long night, first playing the party and now with this second set. I crawled over to the couch, took a drink of scotch and crashed. They were disappointed to say the least. They were so wound up

they had to think of something.

It didn't take them long before Amber stretched back on the thick rug, spread her legs and urged her friend to work on her hole. Like Toni, I could easily see the gurgling stuff spurting out of that pretty little pussy. Amber's cunt was open wide, big enough for the thickest cock—or even her friend's fist.

Like I said, Amber liked a little kink in her pink. Smiling dreamy-eyed at her friend, she sighed, "Do it, yes!" That brought me to the edge of my seat in a hurry. The fist-fucking sight pretty soon made my cock hard. Toni first kissed her friend's wet pussy, making loud sounds with her mouth. Then she pushed in a few fingers.

Two or three, I think. Amber was sighing and smiling, but that smile changed into an animal grunt once Toni rammed all of her hand inside.

Amber's cunt seemed to swallow the fist whole, and the two girls remained still a moment or two, just getting off on the nice fit before Toni started redecorating Amber's insides. All at once, Amber started gyrating her hips nice and slow but then faster and faster.

Toni rested her free hand on Amber's tit, squeezing and pinching that pointed nipple, just in case Amber didn't feel enough painful pleasure. Then she really started in. I mean in and out, working her fist like a cock. Amber's happy reaction was obvious.

she drank cum two more times, I turned her on all fours and pounded her sweet virgin ass. I needed no lube as her ass and my cock were already soaking wet. She moaned and groaned over and over as I pushed in deeper and deeper. I felt I was about to cum again so I pulled out and jizzed all over her back. We finally stopped and fell asleep about three in the morning. We had started at ten that evening. We woke up and remembered that it was the weekend, and so we had a complete repeat of the previous night's fuckfest. It is now almost a year later and we will marry next June. I'm sure our honeymoon will be just as amazing.
— Gary D., Miami

She writhed on the floor, getting a hell of a rug burn I'm sure as the breath was choked out of her by Toni's piston pumps. When she punched Amber from the inside, the blonde howled at the top of her lungs and a stream of secretions gushed out of her, even with Toni's hand lodged between her legs.

That sight turned me on enough to make me want to jump into the fray. Toni's cunt was dripping wet, a sure sign she was turned on and heated to the boiling point. Falling to my knees, I positioned myself behind her and held her waist in my left hand. I rubbed her cunt, feeling the syrupy stuff coat my fingers. She parted her legs all the way for me so I could plunge into her pussy. And she never once stopped fisting Amber.

When I had three fingers pressed into Toni's slit, I decided to go the distance and rammed my entire hand in. She loved it as I moved my hand all around her hot pussy. I guess I didn't get the real hang of it but I fisted her as best I could, slapping the inside of her soupy snatch and urging her to ride my fist to a wet finish.

What a sight! I looked down at my hand pushing in and out of Toni and her hand ramming Amber raw. Both of them got off that way, screaming so loud I wanted to cover my ears. But how the hell do you do that with only one hand?

After we finished fisting, Amber crawled over to my sax. The poor girl couldn't walk. Handing me the instrument, she requested something soft and mellow. I settled on the couch with both of them resting their satisfied faces at my knees. They were super sleepy-eyed as I got into playing a slow, sweet number. I must have played it a half dozen times, lulling them off to sleep.

I stayed the whole night and left my business card on the kitchen table before slipping out after dawn. Who knows? Maybe they could use the services and talents of an experienced musician again. And it sure as hell beats playing a fucking wedding or bar mitzvah!

MARLEY MASON MONDAY MATING

I don't usually get the Monday blues. I'm pretty excited to start the week and get out of the house after a long weekend, but no. Today though, I just wasn't feeling it. But that all changed once Dick gave me the dicking I so badly needed.

I CAN'T GET IT DEEP ENOUGH!

We didn't really think Irene was asleep and then she proved us right

My name's Ginger, and I'm barely twenty. I have shoulder length red hair, lots of freckles, and a pretty nice body, if I do say so myself. I'm short and curvy, and my boobs are big enough to make me look my age...but my face looks young. My boyfriend always teased me about it, saying that people

fection. And I helped him seduce my aunt Jennifer's oldest daughter Irene.

Jennifer and her husband have a beautiful home, complete with outdoor hot tub, in-ground pool, and fully stocked pool house. Robert came over all the time to swim, and we were hardly ever the only ones in the pool. Usually it was almost crowded with

surprised at myself because in the back of my mind, I thought she was hot, too. Robert started looking anxious, so finally I answered him. "Nope," I said. "I do not think you're weird."

A huge grin spread across his face. I couldn't help but laugh at how goofy he looked, and before I could say anything else, he said, "Well, since you

were going to think he liked little girls. I thought it was pretty funny, but until recently, I never realized that he was hinting instead of teasing. And I also never realized that I might like where his hints would lead.

I live with my grandparents because my mom and dad are divorced (didn't wanna pick sides and all that) but lately I've been staying with my mom's best friend Jennifer. She's forty-three and still smokin' hot after having three kids. She's another story. I want to tell you about her daughters. Well, one daughter in particular... Robert's twenty one, by the way, with hair long enough for a ponytail, and a body that looked like it was chiseled out of marble. Guitar-playing, cut-bodied per-

me, there. I had noticed that even though Jennifer and I both looked hot in our skimpy bikinis, Robert wasn't watching us while we splashed around. He watched Irene who wore a nearly as skimpy bikini, but who almost had as much to fill it out.

Later that same day, Robert and I were on the couch in the pool house (where I stayed) watching a movie when out of nowhere he turns to me and says, "I have to tell you something." I tried to look confused, but I knew what he was about to say. "Would you think it was weird," he said, "if I told you that I thought Irene was hot?" I took a minute to actually think about it before I responded. No, I really didn't think it was weird. I was

don't think it's weird...can I tell you what I would love to do?" Now I was genuinely interested. I hadn't really thought that Robert would be brave enough to tell me his fantasies about my friend this soon. Oh, well. I kinda wanted to know. I gave him a wicked grin, swung my leg over his waist so that I was straddling him, and said, "Tell me all about it, baby."

After Robert told me everything he wished he could do to my sweet, pretty friend, I sat back and thought for a minute. Being the good girlfriend that I am, I wanted to help him live out all of his fantasies. I also loved trying new things, and this was going to be one hell of an adventure. After he left for the night, I stayed awake think-

ing of just exactly how we were going to do this without getting caught. Finally I thought of just what to do.

The next weekend, Robert came back over to Jennifer's. The air conditioner had gone out in their house, so all the fans were on high, and we were practically walking around naked. Irene's got long brown hair, big blue eyes, and a body that was just won't quit, but even I had to admit she was getting an ass that would one day rival her mother's.

As Irene paraded her tight little ass across the living room in her tank top and too small panties, I could tell that Robert was trying his hardest not to look. I smirked and looked up at Irene just as she was about to step inside her room, and to my surprise, she turned around and gave a quick, hesitant look towards Robert. I couldn't believe our luck!

My friend wasn't as innocent as we thought. It almost looked like she was disappointed when she saw that Robert wasn't looking at her. Oh, tonight was going to be too fun since now we knew that Irene already wanted him! I turned to tell him the news. "Robert, she was trying to get your attention when she came through here. She wants you too, I know she does!" I whispered quickly. "No way," he replied. "It couldn't be that easy." Oh, yes it could.

At around 11:00 p.m., when we were sure everyone except us was asleep, Robert and I decided to put our plan into action. "Babe," he said. "I'm nervous." I smiled. "It'll be fine, I promise. I know she wants this, too," I reassured him. "Alright," he said with renewed confidence. "Let's do it." We crept as silently as possible to Irene's room. Her door was open and the television was on, but she looked to be sound asleep. We walked into her room and Robert closed the door behind us. "Thank goodness Irene's room is on the other side of the house!" I thought to myself. Now that we were inside,

the fun could begin.

Irene was sprawled across the bed in nothing but that same pair of polka dot panties as before. She lay on her back with her right arm at her side and her left arm behind her head. As we walked around the foot of the bed, I saw that her right leg was bent at an almost 90 degree angle at the knee, which stretched her too-small panties very tightly across her smooth pussy. I shot a glance at Robert and saw that he was staring intently at the outline of Irene's pussy lips, which you could see clearly through the crotch of those panties.

He looked at me. "It's now or never," I said with a smile. He guided my hand to the front of his shorts and pressed it up against his huge dick that was already almost completely hard. "I'm ready when you are," he replied. I shivered with anticipation, and wondered what it meant that I was getting wet thinking about what was about to happen.

I climbed into bed beside Irene and whispered her name. When she didn't respond, I knew she was really asleep. Robert walked closer and

slowly moved his hand out to touch Irene's leg that was bent as such a revealing angle. He started at her ankle and very lightly ran his fingertips all the way up to the leg of her panties. When she didn't move, he got braver.

Robert kept his hand at the top of her leg, and leaned down to taste one of Irene's nipples. Keeping his eyes on her face the entire time, he flicked his tongue across her nipple. It immediately began to get hard. Eagerly he lowered his mouth to it and began to suck expertly. This time Irene let out a small gasp in her sleep, but Robert didn't stop, and she didn't appear to wake up. After suckling at her tender tits for a while, Robert remembered that he had left his hand in a very convenient spot.

He looked at Irene's face again and saw she had woken up. He then boldly pulled her panties all the way off. "Hey," she said groggily. "What's happening? Am I still dreaming?" Robert and I glanced at each other. Was this what my friend usually dreamed about? I shrugged, and Robert said, "Yes, you're still dreaming. This is gonna be too good to be real."

Irene stared at him for a minute before replying. "Ok," she said simply. "What are you going to do?" Robert climbed onto the bed on her other side, put his face right above hers and said, "All sorts of things." Irene stared at him with her big blue eyes and then suddenly leaned up to meet his mouth for a kiss that I didn't know she would do.

Now that she was completely naked, Irene spread her legs wide, and Robert immediately went to his knees in between them. "You just lay back and enjoy," he told her. She moaned, and right as she did, Robert began kissing her still-hard nipples. She gasped and closed her eyes, and Robert began moving his kisses very slowly lower... kissing down from her nipples to across her stomach, to the tops of her

legs. And finally he spread her legs as far as he could, and planted a kiss right in the middle of Irene's tight bald pussy. She gasped again, louder this time, and looked at me. "It's going to get even better than this," I told her. She moaned again, and waited for Robert to resume his work.

He took his fingers and barely rubbed her swollen clit. She squeezed her eyes shut and let out a tiny moan. Emboldened, Robert leaned down and eagerly began to lick and suck on her tasty pussy, going down on her just like he would me. And judging by Irene's face, she was enjoying it just as much as I did. Her hands were clenching at the sheets, and she began to let out small noises with every breath.

Robert increased his pace, flicking his tongue out against her growing clit and into her tight pussy hole. I kept looking from Irene to Robert, trying to take it all in, when I noticed that the thumb of his left hand was pressed against Irene's clit and she was beginning to grind her hips against it, but his right hand was stroking his cock.

I scooted down to where he was and left Irene to moan and clench the sheets in growing ecstasy. "Let me help you with that," I said as I moved his right hand and replaced it with my left. He stopped going down on Irene long enough to move his hips around so that I could reach his dick, and as soon as he did that, he went right back to town. I pulled his eight inch dick out of his shorts and licked it like it was the best flavor of ice cream I'd ever tasted.

He shivered as I put my mouth over the head of him and began swirling my tongue across the middle and around in circles, and as soon as I got him all lubed up, I bobbed my head up and down nearly the whole length of him. I raised my eyes to look at his face, and I knew this wasn't going to take long. He had placed just one fin-

ger inside her pussy, and was slowly moving it in and out while her continued to furiously suck on her clit. Irene's moans were becoming louder and more frequent, and I knew that pretty soon she was going to experience her orgasm from my boyfriend. I felt myself get even wetter as I thought about it.

I moved my hand up and down in rhythm with my mouth, and quickly flicked my tongue across the swollen head of his dick, and I felt it stiffen even more, if that was possible. Irene curled her toes and cried out, and I heard Robert groan from between her thighs as he shot his load against the back of my throat. I gagged once and then swallowed it all, licking him clean.

Irene then whispered that he should fuck her. Robert wasn't one that needed to be told twice. I simply smiled seductively. She then pounced on him like a jaguar, "Oh my god, yes..." She muttered to herself, before taking one long stroke of the tongue up his shaft, and then starting to suck on it. It must have felt like pure

heaven, as I rested my hands on her bobbing head. She tried to deepthroat him, taking just over half his length down her throat before she retracted, coughing slightly, "Don't worry... I'll get better with practice..."

She then quickly crawled up his body, positioned herself over his dick, and sat down hard, impaling herself completely on it. We all cried out in pleasure, her more than me. She whimpered before starting to raise and lower herself on his rod.

It must have felt amazing. Her tight walls gripping him like they wanted to rip off his member, her hip movements making him plunge in deep, hitting her cervix. I held her hips as he was fucking her hard, causing her to cry out in pleasure, "Oh, fuck! Robert! Fuck me!" So he gave her exactly what she asked for. He slammed her down on

his cock faster, adoring the sound of pelvises colliding.

Before he knew it, he felt the tingle in his balls, and I warned her, "He's gonna..." But she quickly leaned down, kept her hips moving, "Me too... Cum with me Robert..." And at that, he pumped into her furiously, before finally opening the floodgates, and emptied inside her. That tipped her over the edge, as she convulsed and spasmed, squirting out.

All three of us were breathing hard as Robert and I climbed off the bed. Irene still lay spread eagle with her eyes wide. "Wow!" she exclaimed. "I wish I had dreams that good every night." I shot Robert a look and he just grinned and said, "Well, I don't know if you'll have dreams like this every night, but I bet you'll have them more often." She was already asleep by the time he finished talking, and we opened the door and tiptoed back out.

That is the story of how my boyfriend and I awakened a vixen inside of my friend Irene. She was going to have lots more good "dreams" just like that one. I could tell.
